

LIST OF BODIES NOTIFIED UNDER DIRECTIVE : Regulation (EU) 2016/425 Personal protective equipment

Name and address of the notified bodies	Identification number	Responsible for the following products	Responsible for the following procedures or modules	Annexes or articles of the directives
MTIC InterCert S.r.l. Via G.Leopardi, 14 20123 - Milano (MI) Italy	0068	Equipment providing buoyancy aid Equipment providing eye protection Equipment providing face protection Equipment providing general body protection (clothing) Equipment providing hand and arm protection Equipment providing head protection Equipment providing hearing protection Equipment providing protection against cold [cold >-50°C], [extreme cold <-50°C] Equipment providing protection against heat [Heat<100°C], [Heat>100°C and fire] Equipment providing respiratory system protection Protective Equipment against drowning Protective Equipment against electric shock Protective Equipment against falls from heights Protective Equipment against harmful biological agents Protective Equipment against harmful noise Protective Equipment against ionising radiation Protective Equipment against mechanical risks Protective Equipment against substances and mixtures which are hazardous to health Specialized areas of competence: High visibility clothing	EU type-examination Quality assurance of the production process Supervised product checks at random intervals	Annex V Annex VIII Annex VII
Institut Français de Textile et de l'Habillement (IFTH) 14 rue des Reculettes 75013 Paris France	0072	Equipment providing face protection	EU type-examination	Annex V

LIST OF BODIES NOTIFIED UNDER DIRECTIVE : Regulation (EU) 2016/425 Personal protective equipment

Name and address of the notified bodies	Identification number	Responsible for the following products	Responsible for the following procedures or modules	Annexes or articles of the directives
		Equipment providing general body protection (clothing)	EU type-examination	Annex V
		Equipment providing hand and arm protection	Supervised product checks at random intervals	Annex VII
		Equipment providing protection against cold [> -50°C]	EU type-examination	Annex V
		Equipment providing protection against heat [< 100 °C]		
		Protective Equipment against mechanical risks		
		Specialized areas of competence: High visibility clothing		
		Specialized areas of competence: Protective clothing for motorcycle riders		
		Equipment providing chest and groin protection	EU type-examination	Annex V
			Supervised product checks at random intervals	Annex VII
		Protective Equipment against static compression	EU type-examination	Annex V
		Protective Equipment against ionising radiation	EU type-examination	Annex V
		Protective Equipment against harmful biological agents	Supervised product checks at random intervals	Annex VII
		Protective Equipment against hand-held chain-saws		
		Protective Equipment against bullet wounds or knife stabs		
		Protective Equipment against substances and mixtures which are hazardous to health		
		Protective Equipment against high-pressure jets		
		Specialized areas of competence: Protective equipment for use in potentially explosive atmospheres	EU type-examination	Annex V
		Specialized areas of competence: Firemen suits	EU type-examination	Annex V
		Equipment providing protection against heat [> 100°C and fire and flame]	Supervised product checks at random intervals	Annex VII
